Hi Jason,
I just scanned the invites and didn't see a call-in number. Did I miss it?

Hi everyone - As part of our update tomorrow on Rosemont, Rob Leidy will run through the attached ppt for a site overview and discussion of his recent fieldwork at Las Cienegas preserve. Also attached is our NEPA office's in-house review schedule for the Admin FEIS currently under review. We have a briefing paper but it needs updating and I ran out of time.

Looking forward to talking tomorrow,
Jason
